## The King's School Linbro Park Locker Policy and Application

The King's School Linbro Park has a total of 49 lockers available for use by learners in the High School and Junior High School Phases.

Forty of the lockers are 300 x 400 x 450.

Four of the lockers are 300 x 800 x 450.

Five of the lockers are 300 x 1600 x 450.

All lockers will cost R50 per year to hire. Lockers will be allocated to learners first by seniority and then by the order in which the requests are received by the school office. Learners are responsible for their own locks to secure their allocated locker, and a spare key or the combination must be submitted to the school office.

Lockers remain the property of The King's School Linbro Park, and the school reserves the right to search any or all allocated lockers without prior notification. Lockers must be cleared and locks removed over all breaks between terms.

I, \_\_\_\_\_ (learner's name) would like to apply for a locker to be allocated for my use during the 2006 school year. I have read and agree to the terms and conditions listed above.
