The King's School Linbro Park Learner Vehicles Policy & Application

1. Learner use of any mode of transport on the property is granted as a privilege, not a right.
2. Permission is sought through the following process:
 - a. Completion of this application;
 - b. Provision of all documentation as stipulated therein;
 - c. Verification of the above;
 - d. Issue of a valid TKSLP permit that must be displayed on the vehicle.
3. Any learner who wishes to drive must first prove that he/she is legally permitted to drive that vehicle:
 - a. All restrictions are applicable to the school context as well, inclusive of learner drivers being accompanied by a licensed driver at all times;
 - b. A copy of the relevant licence/learner's licence is to be handed to the office for filing;
 - c. No unlicensed vehicles are permitted on the property: the licence should be displayed as required by law.
4. All learners are expected to be fully covered by insurance.
5. The TKSLP permit that grants limited use of the vehicle on the premises is to be clearly displayed, and will bear an expiry date.
6. Note the following:
 - a. Letters of permission are necessary from all and any passengers who accompany a learner.
 - b. Learners are to park nose forward to the wall facing First Road in the general car park, or where designated under reconsideration
 - c. All vehicles are out of bounds until the driver's time to leave for the day – no learner may wait at or in the vehicle at any time.
 - d. Where the driver is a fully-licensed driver who lifts other learners by arrangement, names of regular passengers should be submitted to the office as well.
 - e. The speed limit is 5km/h
 - f. While learners wear our uniform they represent the school in the eyes of the public. Should a driver and/or passengers act in a manner that soils the school's image, the school reserves the right to take usual action regarding such behaviour, as well as the further step of withdrawal of permission to use the vehicle on the premises. The driver is fully responsible for behaviour of all passengers in the vehicle.
 - g. The maximum occupancy of all vehicles must be adhered to.
7. The school reserves the right to withdraw a permit where it is deemed preferable.
