

GOLD SPONSORSHIP

Seminar Promotion & Table Top Exhibition Space Package

SMART Group SA is the foremost trade association in the industry, actively involved with the electronic design and assembly issues encountered by members and non members. We have the opportunity for small table top exhibitions and literature displays at events. Equally we often work with publications that promote the industry, as well as equipment suppliers to offer hands-on events.

Companies interested in participating in an event should contact **Steve Eglinton**. If you would like to book a place you should fax back this form as space is always limited. Sponsoring events or delegate packs may also be available at some events.
